4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(a) was unavoidable. As the USPTO records reflect, the Notice of Allowance appears to have been mailed June 17, 2008, and was addressed to our firm's correct mailing address. Our firm's procedure is to log each piece of incoming mail from the USPTO, which then is delivered to our docketing person. We have examined our incoming mail log sheet from the mailing date of the Notice of Allowance, June 17, 2008 to July 17, 2008, and do not have a log entry for this document. In addition, our docket does not reflect receipt of the Notice of Allowance. Therefore, it is believed that the applicant never received the Notice of Allowance. Applicants have prepared and filed the present petition and enclosed the issue fee.
